Be a participant or a visitor for the first annual *Rallye For Pancreatic Cancer*.
Come see a collection of unique automobiles.
This will be a very exciting new car show to kick off the 2017 season.

Rallye For Pancreatic Cancer, was created to bring awareness for one of the deadliest cancers that has no early detection and diagnosis. Proceeds will support a landmark, three-year pancreatic cancer research study at WCHN being led by Richard C. Frank, MD, a hematologist/oncologist and the Director of Clinical Cancer Research at Norwalk Hospital's Whittingham Cancer Center and the WCHN Biomedical Research Institute in Danbury.

Come show off your car or become a sponsor to help Pancreatic Cancer Research. Show details and registration form available on request for participants. Please call Mark C. Schlegel at 203-434-8540 or Peter Bondi at 203-984-4574
